Houston, TX | Haseebs1@outlook.com | (281)-704-5024 | haseebs1.github.io | LinkedIn | Github

Overview

As a computer science student at the University of Houston, navigating an exciting journey in technology and innovation. Immersed in a dynamic academic environment, developing both theoretical and practical skills in areas like algorithm design, software engineering, and AI. Demonstrating resilience and dedication through coursework and projects, reflecting a commitment to both professional and personal growth. This journey showcases curiosity, creativity, and determination, driving continuous skill enhancement and knowledge expansion for a future of innovation.

Education

University of Houston, BS in Computer Science   Aug. 2023 – Dec. 2025
LoneStar College, AS in Computer Science   Aug. 2020 – May 2023

- **GPA**: 3.022
- **Coursework:** Computer Architecture, Algorithms and Data Structure, Computational Theory, Data Science, Fundamentals of Software Engineering, Parallel Computing of GPU and its Applications.

Experience

Frontend Team Associate, Walmart – Katy, TX   April 2020 – Present

- Provided exceptional customer service by assisting customers with inquiries and resolving issues efficiently.
- Processed transactions accurately as a cashier, ensuring smooth and quick checkout experiences.
- Handled cash and credit transactions, balancing the cash register and managing discrepancies.

Skills

Relevant Technical Skills

- **Programming Languages:** Knowledgeable in Java, Python, C++, and JavaScript.
- **Web Development:** Knowledgeable in HTML, CSS, and React.
- **Database Management:** Experience with SQL and NoSQL databases like MySQL.
- **Software Development:** Familiar with Agile methodologies, version control using Git, and software testing.
- **Data Structures and Algorithms:** Strong understanding of fundamental data structures and algorithms.

Soft Skills

- **Problem-Solving:** Ability to analyze complex problems and develop innovative solutions.
- **Collaboration:** Effective team player with experience working on group projects.
- **Communication:** Communication:
- **Time Management:** Skilled in managing multiple tasks and meeting deadlines.
- **Adaptability:** Capable of learning new technologies quickly and adapting to changing environments.
- **Critical Thinking:** Ability to evaluate information critically and make reasoned decisions.
- **Creativity:** Innovative thinker with a knack for approaching challenges from unique angles.

Projects

Personal Webpage   Github Repository

- Developed a personal website that provides comprehensive and easily accessible information about my academic and professional background.
- Tools Used: GitHub Pages, Jekyll, Minimal Mistakes, Markdown, Ruby, Bundler, Node.js, Docker
